Education

M.H. Saboo Siddik College of Engineering — Mumbai, Maharashtra
Bachelor of Engineering in Computer Engineering (CGPA: 8.162 / 10, till Sem V) — *Sep 2023 – Present*

Higher Secondary Certificate (HSC) — Maharashtra, India
Science Stream (58.33%) – Maharashtra State Board — *2022*

Secondary School Certificate (SSC) — Maharashtra, India
General Studies (70.60%) – Maharashtra State Board — *2020*

Relevant Coursework

- Data Structures and Algorithms, Object Oriented Programming (Java), Database Management Systems, Operating Systems, Computer Networks, Software Engineering, Web Development, Machine Learning (Basics)

Technical Skills

Programming Languages: Java, Python, C, JavaScript
Web Technologies & Frameworks: HTML, CSS, React.js, Node.js, Express.js
Databases: MongoDB, MySQL, SQLite
Developer Tools: Git, GitHub, VS Code, Android Studio

Projects

Mr Doc – Medical Helping Website | *HTML, CSS, JavaScript, MongoDB* — 2025

- Developed a comprehensive healthcare web platform consolidating essential medical tools into a single user-friendly interface.
- Engineered an interactive chatbot and symptom checker to provide users with immediate preliminary medical guidance.
- Built responsive frontend components and integrated backend services to ensure seamless user interaction.

Smart Waste Segregation Monitoring System | *Arduino, IoT Sensors, React.js, Node.js, Express.js, MongoDB* — Jan 2026 –

- Developed an Arduino-based smart bin system to monitor dustbin fill levels and moisture for identifying wet and dry waste conditions.
- Built a web dashboard to display real-time bin status including waste type, fill percentage, and disposal alerts.
- Implemented backend APIs and database integration to store sensor data and provide monitoring analytics.

Pet Care Assistant (PETPAL) | *HTML, CSS, JavaScript, PHP, MySQL* — Jan 2025 – Mar 2025

- Developed a web platform for managing pet health records and daily pet care activities.
- Implemented vaccination tracking, medication reminders, and feeding schedule management features.
- Designed grooming reminders and exercise scheduling tools for pet owners.
- Integrated a symptom checker and marketplace module for pet adoption and buy/sell listings.

Leadership & Extracurricular

National Service Scheme (NSS) — 2023 – Present
Volunteer — *Mumbai, Maharashtra*

- Participated in social service initiatives including blood donation drives, cleanliness campaigns, and public awareness programs.
- Collaborated with volunteer teams to organize community outreach events and awareness activities.
- Demonstrated leadership, teamwork, and social responsibility through active volunteer engagement.

Alumni Cell – M.H. Saboo Siddik College of Engineering — 2026 – Present
Editorial Team Member — *Mumbai, Maharashtra*

- Created written content and newsletters to maintain communication between alumni and the institution.
- Managed editorial posts, announcements, and alumni updates for engagement initiatives.
- Coordinated with alumni members and committee teams to support alumni networking activities.
- Edited and designed digital documents and communication materials for outreach programs.
